# Support our music.
# Reach your target audience.

Showcase your business while supporting live classical music in Christchurch by advertising in our official concert programme.

Canterbury Philharmonia

# Our orchestra

Founded in 1952, the Canterbury Philharmonia is Christchurch's longest-established recreational orchestra. Its members of around 60 adult musicians rehearse weekly and present three concerts each year.

# Our concert programme

Professionally designed and beautifully printed, our concert programmes are an elegant keepsake that our audience reads attentively before every performance and often treasures long after the concert ends.
